

ROSELAND FESTIVAL 2020

April 25th
to
May 9th

Welcome

The Roseland Festival Committee has pleasure in publishing its 2020 Programme. Based upon the Festival's success in recent years, it again offers a wide range of events. We are extremely grateful to all our performers, some of whom regularly give their time and expertise to the Festival. **Without them these Roseland events just could not happen.**

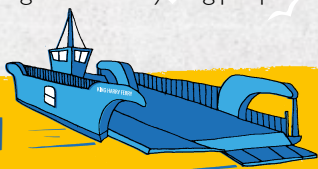

Our thanks for all the support of our sponsors, advertisers and the local establishments who provide the funding and venues on a yearly basis. Last year was the first time we offered a Stewarding programme, and the Committee were grateful for the extra help during the Festival. We will be repeating it this year and we are hoping for even more of you to volunteer. **Don't forget you get to attend the event free!**

Details of the stewarding programme and how to become a Friend of the Festival are at the back of the Programme. Of course, our audiences are just as important. We would love to get your feedback on the Festival and which events you would like to see in the future. Your comments can be emailed to info@roselandfestival.co.uk.

It is an aim of the Festival to benefit local arts projects. Last year we were able to give grants to the local primary schools and the Roseland Academy. Some of you saw the results at our last AGM. This year we are supporting the Radford Charitable Trust, as well as local schools, and offering individual grants to local young people.

Sue Fallick - Chairman
